Comments from last year's sale

"Our Christmas tree is so beautiful. It's drinking lots of water and will last well past it's season. Thank you, MGMS PTO!"

"I'm so happy with my fresh wreath!"

"Our tree is absolutely terrific. It looks great and is very fresh! I haven't had a tree this nice since we lived in New York and cut down our own. Thanks for all the hard work the PTO put into this fundraiser."
